

# Big Enough to Matter, Small Enough to Care.

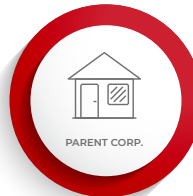

## Two Decades of ATM Services

At the beginning of the twenty-first century, our founders laid the framework for a family of companies that helped revolutionize the ATM industry.

NextBranch is part of the Grant Victor family of companies. Grant Victor wholly owns **four strategic business units** (SBUs) providing a wide range of trusted ATM services to North America. From placement and outsourced services for Financial Institutions and retailers, to wholesale distribution of ATMs, parts, and supplies, Grant Victor SBUs are renowned for exceptional customer service and reliability.
