

The Largest & Fastest-Growing ATM Company

Hyosung is leading the way in financial ATMs.

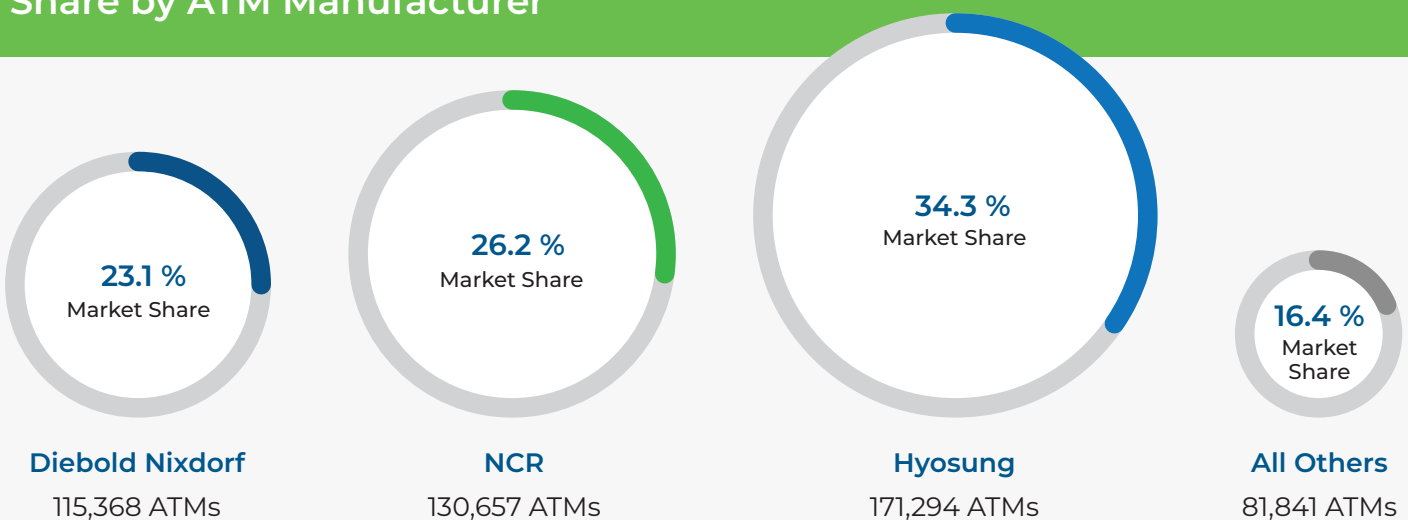

America's Choice in ATMs

NextBranch exclusively distributes Hyosung equipment and, combined with sister companies, represents Hyosung's largest U.S. channel partner. From ATMs and Branch Transformation to secure Cash Management Solutions, Hyosung is changing the industry with innovative hardware

HYOSUNG

and software for Banks and Credit Unions. Hyosung's forward-thinking approach to industry challenges, and focus on creating a stellar user experience helped them become the largest and fastest-growing ATM company in North America.
